

“What have you done today to better the lives of students?”

Student Government Association

46th General Body Meeting

5 September 2018

- I. Call to Order – President Hunnicutt
- II. Roll Call – Secretary Gunby
- III. Approval of 45th Meeting Minutes
- IV. Officer Reports
 - a. Directors
 - i. Director of External Affairs: Police Chief Stephens and his patrol are coming to a future meeting. We’re finalizing details on Constitution Week which starts on September 17th and ends on the 25th. Jaron and I had his event last week with voter registration. That went well. I was supposed to meet with Alex McGee with Carly, but that got rescheduled to next week.
 - ii. Director of Internal Affairs: If you have not yet filled out your doodle for a homecoming event, please do that ASAP. Swinging for the kids is this Saturday at 9:00am. Right now, we only have 9 people signed up for our team and the minimum that we need is 10 for a team. One thing that we’re adding for Swinging for the kids is a fulfillment of a campus engagement. If you count this as a campus engagement, you have to invite your constituency, wear an SGA polo, and reach out to the students at the game. SGA has a KSU Miracle team. Our

goal this year is 1500 dollars. Right now, we only have a few people signed up for a donor drive. Please support our team. Please reserve October 16th as an SGA Spirit Night.

- iii. Director of Procedural Operations: No report.
- iv. Director of Communications: For those of you signed up for the banner, please fill out the doodle I sent out. For social media, if you guys have anything creative that I can post, let me know.

b. Senate Leads

- i. Marietta Senate Lead: All of the Marietta senators need to fill out the doodle for 1on1s. Officer reports are once every month.
- ii. Kennesaw Senate Lead: If you have not signed up for your 1on1s yet, please do that ASAP. If you have any questions or concerns about what you're supposed to be doing, please reach out to any of us.

V. Open Forum (2 min/per officer)

- a. Senator Busson: I have some updates on what the Housing Department has been doing. During move in day, we were able to move in more than 4000 students. Currently, the department is processing cancelations and no shows so that we can move in even more students to fill those spots. Our buildings are at maximum capacity. On the Marietta campus, the housing department remodeled the Hornet lobby.

- d. Senator DuClair: I met with Dean Scaggs. One thing that is changing is that 75 minute classes will now be 50 minutes.

We're trying to figure out the best way to reach out to students to let them know so that they're not blindsided.
