For some institutions, they meet the minimum standards for requirements. KSU helped found the American Democracy Project to inspire more University students across the country to vote and get more engaged in politics and their communities.

- C. Directors
 - i. Director of Internal Affairs: We are not doing Lipsync this year.
 - ii. Director of Academic Affairs: Last week, I met with Chris Hutt about advising for the University. They are making one of the advisors a temporary advisor for pre-med.

Next year, they are filling that position permanently. All advisors are professional staff now and not faculty/professors. They're going to try and do mandatory midterm grades. The classes before 3:30pm will be Monday, Wednesday, Friday and then after that time will be Monday, Wednesday. I met with Christina about gen eds for students. She's going to be building a task force to improve programs overall for students. She needs two representatives to give feedback. Fuel for Midterms is on October 3rd. We're going to meet by the offices and walk around the student center.

- iii. Director of Procedural Operations: No report
- iv. Director of External Affairs: Carly and I met with Mr. Alex McGee who is the Dean of External Affairs for the University. Constitution trivia is tomorrow, so please come out!
